

Building Homes, Building Hope

Construction season is here! As we head into another construction season, we want to thank all our volunteers and donors for helping us build homes, communities and hope.

Locations for our new homes this year are :

520 E. 5th Street, 806 W. 9th Street, 1351 N. Maxwell and one recycle home.

This year's families are:

Ashley Fisher and her three children.

Cindy Cerritos & Leonel Garcia Mesa and their three children.

Victor Chavez, his wife Blanca, and their four children.

Gleyce Dias, her husband Misael, and their four children.

That's 7 adults and 14 children committed to a brighter future!

Once again, we believe we have selected some wonderful, hardworking, well-deserving families. Stop by the construction site sometime and meet our families - we think you will be impressed! They are excited, motivated and ready to start building their homes! If you'd like to help build, call us, sign up online or meet at 701 E. Dodge at 8 a.m. on Thursdays and Fridays, and 7:30 a.m. on Saturdays.

Meet KESHA!

We were awarded a Capacity Building Grant through Habitat for Humanity International. This grant allowed us to add Kesha Schuller to our team as a Family Services Manager. Kesha will work with persons applying for a Habitat home, with families through the construction and ownership process and then on an ongoing basis with all of our Habitat

families!! This is an awesome opportunity, and we are thankful to have Kesha on board!

Thank you to First National Bank for our First in the Community grant, to help bring our partner families closer to self-sufficiency!
